

SEAMLESS ERW

Pipelines
for the
21st century.

MAHARASHTRA SEAMLESS LIMITED

(ERW Division)

An ISO 9001:2008 Company

Company Profile

Maharashtra Seamless Limited, the flagship company of the **D.P. Jindal Group**, is the largest manufacturer of Seamless Pipes & Tubes in India. The company, today is also manufacturing the largest diameter ERW pipes in the country. ERW pipe size range from 1/2" to 20" with wall thickness from 2 mm to 12.7 mm (black and galvanized). The state - of - the - art plant of Mannesman, Germany, is India's first, par excellence "Largest Outer Diameter" ERW pipe manufacturing plant having maximum welding speed of 33 meters per minute with an installed capacity of 1,50,000 MT per annum. **JINDAL STAR Mild ERW Steel Pipes** are serving the Oil and Gas Sector in Oil and Gas Tank Farms and also Cross Country Pipelines. These pipes are also utilized in petrochemical industries, refineries, water and sewage applications.

Group company **Jindal Pipes Limited**, is one of the most established, best and largest manufacturer of ERW, Black and Galvanized, Steel Pipes & Tubes. Maharashtra Seamless Limited and Jindal Pipes Limited, together, make **JINDAL STAR**, the largest selling ERW Pipes & Tubes brand in India with diverse manufacturing locations catering to requirements across the country. All manufacturing locations are ISO, API and BIS certified and manufacture products conforming to various Indian and International Standards.

Product Applications

A wide range of application is found in almost every sector of activities viz:

Product Specification and Application

API 5L	Steel Pipe for Oil & Gas line
API 5CT	Steel casing pipe for Oil Wells
ASTM A53	Steel pipe for Water, Gas, Steam & Air lines
IS:3589	Steel pipes for Water, Gas & Sewage
IS:1978	Steel pipes for Oil & Gas line
IS:1979	Steel pipes for High pressure Oil & Gas line
IS:4270	Steel pipes for Water Well casing

System Specification

API Q1	Specification for Quality Programs for the Petroleum, Petro Chemical and Natural Gas Industry
ISO 9001	Quality Management Systems Requirements

Quality Policy

We are committed to

- Achieve customer satisfaction by offering quality products conforming to National/International Standards by implementing Quality System.
- Attain technological leadership through innovative measures and continuous developments.
- Attain high morale and ethical standards of employees through improved work practices and welfare schemes.
- Train and develop people at all levels on continuing basis.

D.P. Jindal
Chairman
